Panel Discussions

Panel 1:
 "Entrepreneur's Panel:
 Concept to Success: Milestones for startups"
 A forum which brought the keys for success for the budding businesses in the light. A highly interactive and a fruitful session.

Panel 2:
 "Mistakes entrepreneurs make when approaching VCs" Looking at success we forget about the adverse affects. Here in this discussion we explore the loopholes and weak points in a business scenario.

Viswanath Ramachandran
 Founding Exec & Chief Technology Officer, Webaroo (SMS Gup Shup) sharing his views on "Entrepreneur's Panel: Concept to Success: Milestones for startups".

The Rewarded Ones:

Parthik Muni, CEO & Director, IPRE; receiving award on his excellence in n Mobile Sector.

Gurudatt Shenoy, CEO & Co-Founder, Easy Secured Software; awarded for his uniqueness in Software sector

Gaurav Bhardwaj, Regional Head, CMO Axis; is the man whose idea was above all in the Services sector.

Hear from the speaker's:

"Listening to the eminent VC's and fellow entrepreneurs was very inspiring. Seminars like this encourage a healthy entrepreneurial ecosystem. I personally benefitted by meeting startups which could be an added advantage to my organization."

Vikhyat S, Co-Founder, Groffr.com

"Venture Capital has made strides in the last 5 years and still there is a need to educate entrepreneurs. I appreciate the effort and the idea behind the event and would like to be collaborated with SiliconIndia for similar future events."

Alok Mittal, Managing Director, Canaan India

"The sessions not just outlined opportunities for entrepreneurs in the coming years, but it also helped clarify some questions that entrepreneurs normally carry about investors. A very educative session brimming with valuable information for entrepreneurs and a nevertheless well organized event."

Samir Kumar, Managing Director, Inventus Capital
